

Woodside Primary School - Preventing and Managing Sickness

Continuation of learning Plan if school closure for a prolonged period

- Staff to communicate to pupils via text / class dojo
- Children to have 1 maths and 1 English activity **per day** (based on current topics if possible)
- Staff to set an additional project / longer task where appropriate
- Other core learning to complete:
 - Any online learning available
 - Daily Reading
- Children to submit work, where appropriate, via Class Dojo portfolios
- School based message to parents explaining the above and the expectations from parents to support this
