Attendance and Punctuality

Figures for this term so far

| | Attendance | Number of Lates (+ change this week) |
|-----------|------------|--------------------------------------|
| Sherwood | 95% | 7 (+1) |
| Delamere | 92% | 30 (+8) |
| Thetford | 98% | 17 (+3) |
| Grizedale | 93% | 12 (+4) |
| Whinfall | 96% | 5 (+0) |
| Epping | 89% | 0 |

Parents with children whose attendance is below 90% have received a letter today. This is not to be alarmed about. It's just intended to encourage better attendance for next term. We need to demonstrate that poor attendance is being challenged.

Shout Outs

A shout out this week for Mrs Carman who has been working in EYFS every Friday. It's the end of her first term at Woodside and she has settled in really well.

Local History

We have come across a number of old (80s) photos in a stock room clear out. I would like to create a display in school celebrating Woodside's history so if you were here then or have relatives from then, please drop in and help us identify year groups and names.

There's also loads of clippings from newspapers from 1981 when the school burnt down. We will be making a display about this too. Hopefully, some of the parents who worked so hard to force the council to rebuild the school will appreciate seeing it.

Parents' Evening

We have a parents' evening booked for Monday 14th November. You should have received a slip for you to indicate what time you would like. We will do our best to accommodate requests. It starts at 4pm. This is to give time for teachers to have a break after teaching and prepare rooms for guests.

Attached to this newsletter email you should find information about events in half term at OBA school and Phoenix Park.

What Parents & Carers Need to Know about

ROBLOX

PEGI RATING
7+

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play it. As a 'sandbox' title, Roblox offers a huge amount of creative freedom: it lets players create their own gaming experiences with the Roblox Studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

WHAT ARE THE RISKS?

CONTACT WITH STRANGERS

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefters and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others – such as general hostility – while predators can reach out to children directly.

PUBLIC SERVERS

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

ONLINE DATERS

These are also called 'ODers' and are quite common in Roblox. An ODer is an individual who joins a game with the intention of finding someone to date online – and eventually meet in person. Such online dating is against the Roblox community guidelines, but this usually doesn't deter ODers. Some player-built Roblox game worlds have even been designed with online dating specifically in mind.

IN-APP PURCHASES

Roblox is actually free to download and play, but bear in mind that there are some hidden costs. Players are encouraged to make purchases in the game, for example, using real money. People can also buy extra Robux (the in-game currency) to spend on cosmetic items in the game, and some private or VIP servers also have a cost.

Advice for Parents & Carers

SET PARENTAL CONTROLS

Roblox comes with several parental control options, which are explained well on the game's official website. It's essential to enter the correct date of birth for your child, as that allows Roblox to automatically apply the appropriate chat filters. The game also allows parents and carers to set monthly spending restrictions and monitor their child's account.

DISABLE PRIVATE MESSAGING

Roblox's private messaging function raises the risk of children being contacted by people they may not want to speak with – potentially leading to bullying, harassment, toxicity and scam attempts. The game allows you to disable messages from anyone who hasn't been added as a friend on your child's account.

PRIVATE SERVERS

If your child has some genuine friends to play Roblox online with, paying for a private or VIP server decreases the risk of contact from strangers. Even then, however, some players could invite other people – who might not necessarily be child friendly – into the private server. If your child is a Roblox fan, it's important to talk with them regularly about who they are playing the game with.

MONITOR SPENDING

If they don't understand they're using real money, it's easy for children to accidentally spend a sizeable amount in the game. Using parental controls to place limits on their spending will help avoid any nasty financial surprises. Ensuring that you have two-factor authentication on your payment accounts also makes it harder for your child to spend money inadvertently.

DEALING WITH STRANGERS

At some point in their development, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are upsetting them or asking uncomfortable questions. Talking to them about what's OK to discuss – and what they should never tell a stranger online – will help them understand how to communicate with other people online safely.

Meet Our Expert

Clare Godwin (a.k.a. Lunawolf) has worked as an editor and journalist in the gaming industry since 2015, providing websites with event coverage, reviews and gaming guides. She is the owner of Lunawolf Gaming and is currently working on various gaming-related projects including game development and writing non-fiction books.
