Has your school's PE and sport premium spending achieved any of the following?	An increase in staff participation in extra-curricular activities and school sports competitions
Has your school's PE and sport premium spending achieved any of the following?	An improvement in swimming attainment
Has your school's PE and sport premium spending achieved any of the following?	An improvement in water safety awareness
How has your school's spending improved PE attainment?	Children are participating in lessons and therefore their fitness levels are improving. Having a good awareness of the progression of skills throughout the school will also make the lessons more specific to the children. Using the money to pay for a scheme of work has enhanced the coverage too.

How has your school's spending increased pupil PE and sport activity levels?	Children are having more active playtimes and lunchtimes encouraged by the new equipment and also having a PE specialist in school over the lunchtime period.
How has your school's spending increased school sport participation?	Children now participating in every PE lesson as we have spare kits. We have also started encouraging children to enter competitions and participate in more in team sports. Children are more enthusiastic about being in teams for competitions.
How has your school's spending increased staff training and continued professional development (CPD)?	Staff are being introduced to the new scheme of work and they feel that this is giving them guidance to be able to spot when children are meeting the expected outcomes and areas where children need more support and encouragement.
How has your school's spending increased staff participation in extra-curricular activities and school sports competitions?	We asked the children what sports they would like to participate in and this has then been included in the after school activities and equipment to support this.

How has your school's spending improved swimming attainment?	We hired a swimming pool to have on the school playground for 3 weeks. This enabled year 5 and year 6 to have a swimming lesson every day in smaller groups that are more targeted to their abilities.
How has your school's spending improved water safety awareness?	All children across school now have an awareness of water safety due to all classes being able to access the swimming pool on the playgroup.

Section 6 of 9 - sustainability

How is your school going to ensure that the improvements made through its spending of the PE and sport premium are sustainable?	We only replace equipment when it is broken or lost. Having a PE specialist working with all staff will also ensure that they are upskilled to enable them to conduct lessons themselves.
